Bathroom, Kitchen & Plumbing Solutions

COMPANY PROFILE

TAPS & MORE is a specialized Bathroom, Kitchen and Plumbing solutions company which performs a Sales and Marketing Consultancy function for numerous leading and predominantly well known European manufacturers.

Our Operations Centre :

Our territorial coverage generally extends from North Africa to the Near East and beyond, though some country exclusions exist for certain brands :

As true Marketing Consultants, we are pro-active in assisting our Trading Partners with personnel recruitment initiatives as well as brand and Product Training requirements at our **Orientation Centre** :

In the spirit of embracing change, and ensuring the positive evolution of our company, **TAPS & MORE** constructed a **Regional Flagship Showroom** located at the Building Material Market in Dubai, which opened on the 1st of May 2021 :

We also offer a value-added benefit to both our Principals and Trading Partners
by stocking a large variety of key products at our
Regional Distribution Centre in Dubai U.A.E.

Besides stocking key items, thereby accelerating the Regional Product Supply Cycle, we also visit Architects and key Designers for **Project Specification** purposes, thus creating demand for the brands we represent.

These initiatives are supported by essential marketing activities which help us achieve our mutual objectives, and our activities encompass various initiatives including regular electronic and printed updates of in-house flyers, leaflets and catalogues, depicting brands / products that we carry on stock :
